EXPERIENCE

SOFAR SOUNDS 2022 (Present)

- Sofar Sounds is a global music community that connects artists and audiences through live music, I edit video concerts from different musical genres and different artists.

GOMYCODE 2021 - 2022

- GoMyCode's library is a project with the aim of making visual content to help their students learn even from a distance, I worked as a video editor on tight deadlines to assure the good quality and the quantity of the content.

BKHURAT 2020 - 2022

- Bkhurat is a music project based in gabes with a mixture of traditional and modern style of music, I edited video clips with a different artists and also created motion graphics for this project.

PROJECTS

YOUNG MASTERS PROGRAM MotionGraphics 2022

- The YOUNG MASTERS PROGRAM by INTERFERENCE is a program for artists from all around the world, I created 2D animations to be presented in the framework of GAT Assurances exhibition.

BKHOUR'ART MotionGraphics 2022

- Bkhour'Art is a multinational cultural project whose objective is to train and consolidate artistic skills, I contributed by making 3D animated video of traditional jewelry to be presented as Video Mapping.

GABES CINEMA FEN Motion Graphics 2022

- Gabes Cinema Fen is an international film festival, I worked with an amazing team to assure the quality and creativity of the official advertisement video.

"OMBRE ETERNELLE" Documentary/Experimental 2021
